

Parking at The Marine

- A. We have a small car park of about 20 spaces which are available free of charge on a first come first served basis. Due to the size of the car park and the popularity of our hotel and the bar and restaurant. The car park can be reached by a gravel track located in between the tennis courts on St Anne's Road.
- B. The car park does fill up quickly so most of our guests will use the on-street parking along Marine Parade or the other residential streets in the area, most of which are free and unrestricted.
- C. There is also a long-stay car park approximately 800m from the hotel which offers all-day and overnight parking for £3. You're welcome to wait at the front of the Hotel whilst you check in and unload your vehicle, and the Team will be happy to offer you directions.
